ST CECILIA'S CATHOLIC INFANT & NURSERY SCHOOL

MEDIUM TERM PLANNER

Year 2 TERM : Spring 2

LESSON	SCIENCE	HIST	ART
1	Assessment: SIL online assessment on materials	Titanic: The 'hook' children given clues to what new topic is.	Line, shape and colour: Use a variety of tools to explore lines (thick and thin, dark and light)
2	What do you already know about 'Living things and their habitats'	What do you already know about the Titanic? What would you like to know? (questions)	Use a variety of tools to explore lines (straight and curved)
3	To explore and compare the differences between things that are living, dead, and things that have never been alive by thinking about life processes.	Research: Fact find about Titanic! Choose a way to present information.	Look at the drawings of Quentin Blake and discuss the use of shadows and light. Have a go at some of the techniques he uses.
4	To identify and name a variety of plants and animals in their habitats, by mapping a habitat and identifying its inhabitants.	Order the events of the sinking of the Titanic on a timeline (chronology)	Copy one of Quentin Blake's drawings. Try to recreate it using the techniques we've practiced.
5	To identify and name a variety of plants and animals in their	Select information independently from several different types of source	Draw your own picture in the style of Quentin Blake.

	habitats, including microhabitats by identifying minibeasts in microhabitats.	**including written, visual and oral sources and artefacts (written, visual, oral artefacts, pictures, a story, a letter)**
