

St. Cecilia's Catholic Infant & Nursery School

New School Uniform Launch

Dear Parents/Carers,

Over the past year *Governors* have been reviewing our uniform supply situation.

A number of aspects have been reviewed, these being the quality of uniform, stock control - purchasing/storage, administration, cost etc. We have been in discussion with a number of uniform suppliers and have decided to place our business with Lisa's Uniform Shop.

Our decision has been made based on the ease with which parents can purchase the uniform, the sizes which are more flexible, the cost which was competitive and the uniform which is of a higher quality. We have opted for embroidered logo's rather than printed at no additional cost to us and they appear to be suitably hardwearing.

With the exception of P.E. shorts and coats all other uniform items will be available to purchase from Lisa's stores as of Monday 22nd January. The remainder of coats and shorts will be available from school until stocks are depleted.

Uniforms will be available to buy from her shops which are located on East Prescott Road and Priory Road. Her stores are open on Saturday and additionally on Sunday throughout August. She runs a "pay off" service and has a website which is currently in the process of being updated.

Yours sincerely,

Mrs. E. van de Waal.
