

St. Cecilia's Catholic Infant & Nursery School

Newsletter November 2017

Open Evening

Thank you to all parents/carers who attended our first Open Evening of the academic year. It is important for the teachers to share with you how your child has settled and what you can do to support them. This is also an opportunity for you as a parent/carer to speak to the teacher to give any insights on how we can help your child in school. Please make sure you have signed the Home/School agreement if you were unable to attend.

St Cecilia's Feast Day

22nd November was the feast day of St. Cecilia. We celebrated this special occasion in school with prayers and beautiful singing – all topped off with the annual treat of a Freddo's chocolate bar!

Flu Immunisation

The majority of children from Reception to Year 2 had their flu immunisation in school on Friday 24th November. The children were informed what this would entail and were sensible throughout. If you missed this opportunity and would still like your child to be immunised, please see the posters in your classroom window for further information.

Year 2 Museum/Library Trip

Year 2 enjoyed a fun and informative trip to Central Library and the World Museum. They enjoyed exploring the exhibits and finding out new information. They behaved beautifully throughout and were a credit to our school.

We're already thinking about where to go next!

John Moores University Research Project

Year 1 will be taking part in a PE research project carried out by researchers at John Moores University.

Many thanks to parents who have returned their completed consent forms.

We would be grateful if any outstanding forms be returned as soon as possible.

Readathon

A huge thank you to everyone who took part in our recent Readathon! You helped to raise £270 for sick children in hospital. It was a fun week for the children and we hope they enjoyed reading lots of books.

Hope University

As part of our continued links to HOPE University, some students visited our school to observe good teaching in maths and phonics. The children as ever, rose to the challenge and impressed the students with their knowledge, behaviour and enthusiasm to learn.

Advent Prayers

Today, we held our Advent service in school as we begin our preparation for the Christmas season. The children gathered respectfully in worship and said prayers, listened to readings and sang like angels! Don't forget you are very welcome to join your child in class for Advent prayers at 2:40pm the next 3 Mondays. (4th, 11th and 18th December)
