

# St. Cecilia's Catholic Infant and Nursery School

## Year One Parent Opportunities

### Autumn Term

In October you are invited to join your child's teacher for a short, informal chat. This is an opportunity to talk about how your child has settled in and ask any questions that you may have for the coming year.

In November we host a relaxed 'Come and See' drop-in session.

This gives you the chance to see your child's learning environment!

At the end of the Autumn term you will be invited to come along and join in with the lighting of the Advent Candle and see our wonderful Key

Stage One performance. Year 1 enjoy their part as the choir and instrumentalists.

### Spring Term

The children will take part in a year group assembly to demonstrate their knowledge and experiences with you.

Throughout the Spring term Year 1 children and parents are invited to work together on the allotment with the guidance of our school gardener. The allotment is situated behind Saint Cecilia's Church and is an activity that is loved by all! A real chance to be part of our school community and to learn a new skill!

Parents evening in the Spring term will be held in your child's class. This is an opportunity for us to discuss your child's progress and for you to view some of the work they have produced.

### Summer Term

You will be invited to come along, with your child, to celebrate the end of their time in Year 1. Your child will show you some of their many achievements and work completed throughout the year.

Your child will now be getting ready for their move to Year 2! To ease the transition an informal drop-in session will be held for you and your child. You will have the chance to meet the Year 2 teachers and children who will be happy to show you around and help with any worries or concerns that you may have. This is also a fantastic opportunity to discuss your child's future and next steps in their learning.
