## Newsletter June 2019

### **Parent/Carer Transition Meetings**

Thank you to all parents and carers who attended the meetings prior to your child moving to their next year group. We hope you now have all the information you need and feel ready to support your child as they move to their next class in September!

### **Parent/Carer Perusal Reminder**

Reception, Year 1 and Year 2 parents and carers are invited to their children's classes on Wednesday 10<sup>th</sup> July between 2:30pm and 3:30pm.

Perusal time for Nursery is at the end of your child's session (either A.M. or P.M.)

This is an informal opportunity to have a look at your child's work over the year and their classroom environment.

### **Nursery Closed Tuesday 9<sup>th</sup> July**

A reminder to all of our Nursery parents and carers that the Nursery will be closed all day on Tuesday 9<sup>th</sup> July.

This is to enable new children starting Nursery in September to have an opportunity to visit the Nursery and spend time getting to know the staff.

Thank you.

### **Sun Awareness**

During the hot weather please ensure that you apply sun cream before your child comes to school and if possible please send a sun hat/cap into school with your child.

### **Year 2 Graduation Assembly**

The parents/carers of our Year 2 children are all invited to attend their child's graduation assembly on Wednesday 17<sup>th</sup> July at 2:30pm.

### **Health & Physical Week 2019**

Once again our Health & Physical week has been a great success. Children across the school have thoroughly enjoyed all of the activities and competitions available throughout the week! They have also enjoyed learning about the importance of a healthy active lifestyle including a balanced diet and the importance of healthy minds.

Activities included;

A football competition, sports day games, Go-kart races, dance and circuits.

All children received a certificate for their participation and a passport of some of their activities.

Many thanks to parents/carers for your support in making the week a success!

### **School Trips**

All parents should have received letters regarding their child's upcoming school trip.

Year 1 – World Museum on 2<sup>nd</sup> July

Reception – Windmill Farm on 8<sup>th</sup> July

### **Measles Outbreak**

We have been informed by school health that there are ongoing measles outbreaks in Europe and the risk of imported cases associated with travel and subsequent spread of the infection within the population.

The MMR vaccine protects against measles, mumps and rubella and all children should be immunised before they start school.

More information can be found on our school website and also at <https://www.nhs.uk/conditions/measles/>

### **Bottle Tombola**

We urgently need more contributions ahead of our 'Bottle Tombola'. We would be extremely grateful for your donations.

Thank you.

### **Attendance**

Our current whole school attendance is 96.1%.

Thank you for your ongoing support.

### **Summer Holidays**

We finish school for the summer holidays on **Friday 19<sup>th</sup> July at 1:30pm** and return to school on **Tuesday 3<sup>rd</sup> September**.

Monday 2<sup>nd</sup> September is an INSET day and children do not attend.
