Headteacher Mrs. P. Agate

Dear Parents and carers of Year 2,

Over the past few months Mrs van de Waal, myself and all staff have worked together to ensure our school community has continued to operate throughout the lockdown. This has been hugely successful and emphasises our intention to support one another especially during difficult times.

At this time of year, we begin transition to the Juniors in readiness for September 2020. I would like to reassure you all that every child in year 2 who wishes to transfer to St Cecilia's Junior can do so.

We have started to put together a modified transition programme that will engage both children and parents. We will give more information about this through the school website in the coming weeks.

Please complete the application form when it arrives and return it to the Junior school by Friday 26th of June.

Kind regards
Mrs P Agate
