19th, 20th, 21st, 22nd and 23rd December 2022 9am - 4pm

Children will explore the wonderful world of poetry and imaginative play with silly dress up. With hands on creative projects we will reconnect with nature and learn new skills of handmade toys. This is a very helpful digital detox for your children. There will be no screens, TV or computer games at all. We re-introduce the play the good old fashioned way which enhances social and emotional skills. Girls, as well as boys, will be crafting their days away and have fun with old fashioned games they might not have seen before. Most of the projects are planned using natural materials, no plastic involved. Having a go at storytelling using light and shadow theatre worked very well in the past and children loved it so we are going to do it again. We plan one day out to a gallery with the parent's permission. Hot breakfast and warm, healthy and nutritional lunch will be provided. To book please email parties@thevintageplayroom.co.uk .
